Makernote @ 996

Shot Info Tag ID: 0x4
Shot Info address??
(Hex) 0x654
(Dec) 1620

Firmware Tag ID: 0x7
Address: 0x6B8 = 1720

Shot Info @ 1620

Where are Exiftool Shot info Tag 1 and 2?
(Auto Iso and Base Iso)
One of them is 320 (0x4001)
The other one must be 1000 since my ISO was 3200 on that shot (we divide by 100) according to Exiftool doc.

CameraTemperature !!!
