

Exiv2 - Bug #421

Command parser fails if no type is specified with a modify command

02 Mar 2005 08:17 - Andreas Huggel

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Andreas Huggel	% Done:	0%
Category:	tools	Estimated time:	0.00 hour
Target version:	0.6.2		
Description			
Command parser fails if no type is specified with a modify command, unless the command line ends with whitespace. The exiv2 utility returns an error "invalid command line" although the command line is valid.			
Additional information:			
Workarounds:			
1) Explicitely specify a type, or			
2) end the modify command line with a space
