History

#1 - 04 May 2018 23:49 - Nikolai Försterling

Looks like it has just been an issue on darktable-imports before 2016, where the used exiv2-version then didn't include this lens. RAW-files created/imported after 2016 are correct. Sorry for not having re-checked before opening this ticket.

#2 - 05 May 2018 04:37 - Robin Mills

- Status changed from New to Assigned
- Assignee set to Robin Mills
- Target version set to 0.27
- % Done changed from 0 to 10
- Estimated time set to 1.00 h

Thanks for the update on this. Can you provide a sample image as discussed in [#1349](#). Thanks.

#3 - 10 May 2018 11:24 - Robin Mills

- Category changed from lens to not-a-bug
- Status changed from Assigned to Closed
- % Done changed from 10 to 100

Thanks for the update. I think we're closed on this issue.
