

Exiv2 - Bug #793

PNG comment is not set

08 Oct 2011 03:35 - Thomas Beutlich

Status:	Closed	Start date:	08 Oct 2011
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	image format	Estimated time:	0.00 hour
Target version:	0.23		
Description			
<p>The comment of the PNG file png_desc.zip is not correctly set in Exiv2 0.22. The reason is that in function <code>PngChunk::parseChunkContent()</code> at source:trunk/src/pngchunk.cpp#L403 the comment remains empty due to a const function <code>Image::comment()</code>. The following fix</p> <pre>pImage->setComment(std::string(reinterpret_cast<const char*>(arr.pData_), arr.size_));</pre> <p>solves the problem.</p>
