History

#1 - 22 Aug 2013 13:13 - Robin Mills

- Assignee changed from Abhinav Badola to Mahesh Hegde
- % Done changed from 0 to 50
- Estimated time set to 500.00 h

I'm assigning this one to Mahesh now that he's a "member" of Exiv2.

Mahesh:

Please let me know when you are "code complete" and I will integrate your code (from cocotutorials/video) to branches/gsoc13. I'm guessing that you are about 50% finished on the whole project. When you are "code complete", I think your progress is about 60-70%. Please don't underestimate the time involved for integration/porting/documentation/testing.
